FOREWORD

In bringing to you this, the 18th edition of THE STONE FORT, we have attempted to preserve for you the glowing memories of a happy year, to show the golden opportunities which abound on the Stephen F. Austin campus, and to give you an insight into the larger and finer school of tomorrow. If this Yearbook will be of help to you in keeping alive the spirit of loyalty to Stephen F. Austin you have shown throughout the past year, our efforts will be amply rewarded.

THE STONE FORT is indebted to the following people who gave so gratefully and generously of their time and work to help bring you your book. Their school spirit is reflected by their personal traits in doing their share for Stephen F. Austin!

1941 Stone Fort.

LIBRARY
OF
STEPHEN F. AUSTIN STATE TEACHERS COLLEGE
NACOGDOCHES, TEXAS

MAIN BUILDING

Walking down the vista . . . tall pines and giant trees make a shade over the walk . . . going to class, or a romance in the air . . . the scene never changes; students come . . . students go . . . but the old Main Building . . . the reminder of happy days, days gone by that we would love to live again . . . a guardian of the campus, and a fitting symbol of the life, love, cherished hopes and dreams of the many that have strolled up the vista and into its doors.

THOMAS J. RUSK

Dedicated to a hearty Texas pioneer, the Thomas J. Rusk Building was erected in 1926. This edifice embodies the library, a storehouse of knowledge containing thousands of volumes of books. A place for those who are searching deep into the caverns of education . . . rest and a little sleep. And it is the home of the demonstration school, a home for future teachers, who practice with elementary and high school students. With the woes and wails of the average school, Thomas J. Rusk continues to settle among the pines . . . watching the students come and go in the acts of college life.

SCIENCE BUILDING

Sun sifts through stately pines on the Science Building . . . Modernly equipped laboratories . . . A pungent odor . . . The neighbor's cat . . . Technical and personal terms, that everyone is supposed to understand and no one does . . . Students skilled in physical and biological sciences, the art of wood working and interesting labs. The bell sounds . . . Lab ends . . . Goodby till next week.

WOMAN'S RECREATION CENTER

Girls in shorts . . . Boys looking on . . . A white building nestling among the pines . . . time to begin decorating for the dance . . .

Lots of all college dances . . . "jitterbugging," Woodchoppers pounding away . . . Wonder how they'll ever get this cleaned up in time for me to wake up staring Miss Norton and PE 131 in the face at 8:00 in the morning?

AIKMAN GYMNASIUM

Right across the street from the W. R. C. . . . Right across from the football field . . . The unofficial home of Coach "Bob" and the Lone Star Conference Champs.

Some big lyceum numbers held here, some college dances, "aw," but mostly that non-credit P. E. . . . every other day . . . Willis, Murff, Shelton, or that dumb practice teacher . . .

GIBBS HALL

Surrounded by majestic pines, Gibbs Hall, the girls' dormitory, is the essence of bountiful beauty. Distinctively modern and artistically touched with feminine grace this abode of 110 girls makes many a young man's heart turn from science labs to extracurricular activities.

Named in honor of the late Mrs. Eleanor H. Gibbs head of the art department for many years, it is the symbol of this beloved character.

BOY'S DORMITORY

Housing over 75 boys, equipped with the latest room conveniences, a grand place to live is the attractive and comfortable boys' dorm. Only across the street from the main building . . . a spot of interest for socials . . . a modern banquet hall and cafeteria where the bunch gathers for the pause that refreshes. Dancing is fashionable and inexpensive.

Boys rise 10 minutes before class time . . . in and out all day . . . night falls and the lights go on . . . dating, dancing in the recreation room . . . "bull" sessions . . . parents Willis quieten down the "dorm" and the lights go out.

BAND HALL

Always peace and quiet from midnight to daylight . . . then the Major and his studes break out in a phantasmagoric pandemonium of various degrees . . . thus the makings of the purple and white musicians of the Alma Mater.

HOME MANAGEMENT HOUSE

An ever beautiful spot on the campus, it affords opportunities for future homemakers.

A turn at cook, maid, housekeeper, and hostess under the careful supervision of Miss Tucker . . . and a profitable term is ended.

COLLEGE FARM

Behind the football field, the efficient college farm . . . contented cattle complete the charmingly rustic scene . . . gently sloping meadows and picturesque haystacks . . . romancers sooner or later yield to the lure of the greensward lover's lane.

Year after year THE STONE FORT comes to you as a reminder of the more pleasant episodes in your college life. It will grow in value to you as the days go by.

You enter life at a vital point in human history. The world is confused in its thinking and in its policies. The eternal values that have been prized by Americans are being attacked. The essential liberties are threatened with destruction. It will require the same courage and devotion to duty to preserve these liberties as it did in the early morning of our history to establish them. You as citizens of a great nation will have to preserve them. You will have to try not only to protect this nation from foreign enemies, but to make it so effective in promoting the welfare of all our citizens that it may continue to lead in enlightened and progressive policies. It will all require intelligence, good citizenship, and courage. I am hoping that each of you will respond to the challenges of the moment as befit the sons and daughters of a worthy ancestry.

THE STONE FORT will remind you of friendships and comradeships. I wish for you a continuation of these friendships and comradeships and for the opportunity of playing a big part in this trying hour.

A. W. BIRDWELL, President

DR. T. E. FERGUSON
Dean of Faculty

Dr. Thomas E. Ferguson, Dean of the Faculty, has been an inspiration to both students and teachers of the Stephen F. Austin campus.

He is a kind and willing advisor, a friend to the students, and his untiring ambition to make Stephen F. Austin a better school is appreciated by all.

DR. D. D. GILES
Assistant Dean of Faculty

Through ceaseless work and hearty efforts Dr. Giles has in many ways been an asset to Stephen F. Austin College.

The latest achievement for the friendly, congenial Dean was the securing of the C. P. T. course for the students.

His efforts are appreciated by one and all.

MISS SUE HILL
Dean of Women

Through her untiring efforts and continued service to the school, Miss Hill is beloved by the entire student body of S. F. A.

Miss Hill's deep sense of responsibility, service, truth, and good nature have helped the school to prosper because of her coming.

MR. C. E. FERGUSON
Dean of Men

The happy days at Stephen F. Austin, the friendly spirit of the College, and all the reminders of a happy college life are reflected in the life and personality of Mr. C. E. Ferguson.

To every student on the Campus, "Mr. Ferg" is indeed a friend and companion.

CIVIL AERONAUTICS COMES TO STEPHEN F. AUSTIN

Through the untiring efforts of the entire Stephen F. Austin faculty and the interest shown by the Student Body in general, Dr. D. D. Giles took the lead in securing a C. P. T. for students at a minimum cost.

The boys meet . . .
And learn to fly.

"All ready?" So long . . .

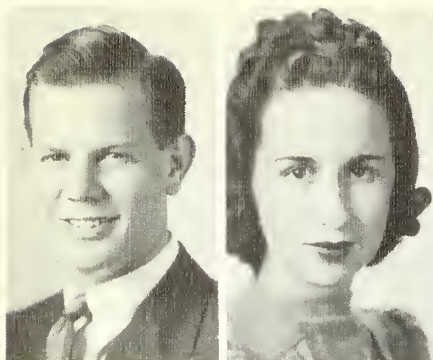

"Guess we need a donkey
to pull this thing". . .

My dear Miss Thaggard:

The photographs were all exceptionally lovely and being limited to choosing only four girls made the task most difficult. For this reason, I have chosen a fifth also.

I trust that my selections will meet with the approval of those who have had the great privilege of seeing these young ladies in person.

An autographed picture is being enclosed.

Sincerely yours,

Earl Carroll

Stephen F. Austin favorites are given the name of "Mr. and Miss S. F. A." These students were elected by popular vote at the poll of the piney woods college. They represent, first, class favorites, then the favorites of the entire student body.

"Who's Who" represents the students who are active and outstanding in college life or some phase of their college work. These "Who's Who" students are selected by the faculty, twenty-five members of the Stephen F. Austin faculty recommending them.

WHO'S WHO

An active member and President of the Karle Wilson Baker Dramatic Club is Douglas "Blackie" Blackman, popular Sophomore from Hearne, Texas. During the past year, Blackie served as a member of the Sawyers, Spanish Circle and as Assistant Cheer Leader. A character actor, "Blackie" served as the leading character in "House Party," "Ceiling Zero," and "Our Town."

Transferring from Lon Morris College, Virgie Lee Jowell, the popular member of the Pine Burrs, Pulp, and Woman's Council, is Secretary of Mr. Cain, and holds the honor of being SFA's first aviatrix.

As a recreation Virgie Lee serves as the soloist of The Woodchoppers, College Orchestra.

Lawrence "Big Brother" Franks, voted the "Boy Most Likely to Succeed," is the holder of more important offices on the S.F.A. Campus than any other student.

When not playing basketball on the Lumberjack varsity squad, Lawrence is probably found, as usual, working in some way for the benefit of the students. Serving as President of the S.F.A. Student Body, President of the College Commission, President of The Sawyers, President of "T" Association, and a member of the Alpha Chi, the youngest, largest, of the Franks Brothers is indeed a leader on the campus.

Bennis "Little Brother" Franks, who as well as being an All-Lone Star Conference guard three years, holds the honors of being the President of the Senior Class, a member of the Sawyers, "T" Association, and Alpha Chi.

Hailing from Stockman, Texas the popular senior is never too busy to render a favor, and is respected and admired by every student.

Ozella McRae, favorite from the Junior class is also a beauty of the Piney Woods College. A member of the Pine Burrs and Madrigal Club, Ozella has taken an important role in activities of the campus, serving as the S.F.A. Homecoming queen during the past year.

WHO'S WHO

The College's most outstanding artist, Hortense McLennan is also a beauty nominee from the Press Club, Secretary of Alpha Chi, and member of the Elementary Council.

Characteristic of Hortense is her sweet personality and desire to render service to a friend and to devote her time and talent to all concerned when the slightest need approaches.

An outstanding figure on the campus, Bobby Murphey was voted the "Best Boy Politician." An active member of the Barrister and Austinite organizations, Bobby also serves as the President of the Junior Class.

Noted for his "word slinging" and "pen-scribbling" Bobby has been in the campus politics every year of his college career. During his spare time, the friendly Bobby serves as the Sports Editor of the Daily Sentinel.

From Polk County comes Bergman "Boots" Morrison, who has held more executive positions at S.F.A. in his four year stay than any other person.

Always busy, but always friendly, "Boots" during the past year served as Editor of the Stone Fort Annual, Pres. of the Press Club, College Commission Representative of the Sawyers, Vice-Pres. of the Loggers, Pres. of the Debate Club, a member of the "T" Association, Methodist Students Union, and Pi Kappa Delta.

"Boots" was also yell-leader for three years, Business Manager of the Pine Log, and member of the debate team.

Being the Senior Class favorite, "Boots" was elected "Mr. S.F.A." for the term of 1940-1941.

Transferring from Tyler Junior College, Van Samford, the likable, record-breaking Lumberjack Center, Coach of the Demonstration School, and All-Lone Star Conference player for two years is a proven leader on the campus.

Van serves as a member of the Sawyers and "T" Association, and is recognized as one of the all-round best fellows and classiest ball players ever to grace the hardwood of Aikman Gym.

Admired, known, and respected by all, Ben Cooper is a friend to every student and member of the faculty. Manager of the College Bookroom, he is never too busy to holler a cheerful greeting, to help in time of need, or to say a good word about some friend.

Entering college with his son, Ben took the ring of things, reflecting the true friendly spirit of S.F.A.!

WHO'S WHO

A National Champion in high school, and leading the Lumberjack Band is Arnodean "Deanna" Selden.

A member of the Pine Burrs, Woman's Council, and the "Miss S.F.A." of 1939-1940, "Deanna" repeated, being nominated from the Sophomore Class, and again won the title "Miss S.F.A." Not only popular, but Arnodean was a beauty nominee from the "T."

A wonderful personality and a friendly spirit, "Deanna" is the kind of person one enjoys knowing and being associated with.

Elected the S.F.A. "Smile Girl," Olene Simms this year served as the Sophomore and Freshman Editor of the Stone Fort. To occupy her time, "Butch" works, is a majorette in the College Band, a member of the Woman's Council and Amities.

With a natural smile, and a personality that makes one enjoy her company, "Butch" is one of the most popular girls on the campus, as well as filling to an excellent degree the position conferred upon her.

The highest ranking Senior of the 1941 class is Ruth Williamson, the President of the P.W.R.A., member of the Amities, Woman's Council, and Lumberjackettes.

One may find the admirable Ruth in the W.R.C. at any hour of the day, helping with the students, or working up a play day. Always the same, the cheerful P.E. major is an inspiration to students who desire to achieve the most from their college life.

Serving as President of Alpha Chi, and voted the "Girl Most Likely to Succeed," is Grace Thomas, the senior Editor of the Stone Fort.

A member of the Amities, Lumberjackettes, and past President of the Freshman Class, Grace was this year voted the Senior Class Favorite. Always smiling, and always friendly, Grace has attained a level as a student that is well worth looking to.

The student that has received probably the widest scope of publicity for both the college and himself is Berton Yates. "Duck" is an active member of both the Austinite and "T" Clubs. He is known by all football supporters of this section of the country as a pit ball carrier. He won the Texas Relays, Southwestern Relays, and the Fat Stock Exposition broad jump event. Berton is liked by all his fellow students and he likes everybody.

Coach Murff

Coach Willis

The Coaches.

Coach J. E. "Red" Willis concluded his fourth season as head coach of football here this year. Although his teams have not set the sports world ablaze, Coach Willis has brought good, hard, clean, rough, and smart football to this section of the country.

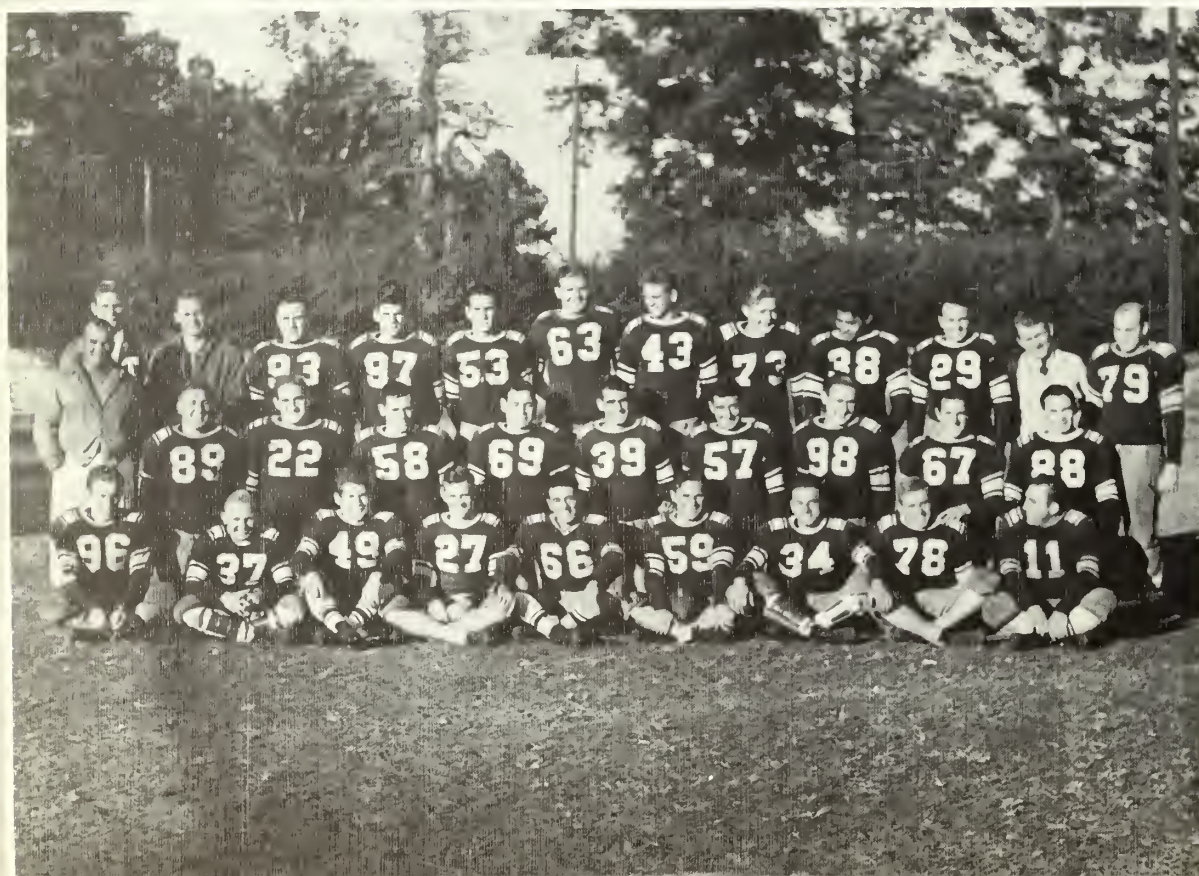

He played his football at Texas Christian University. His High School teams at Marshall were always in the schoolboy championship race. His two years at Texarkana Junior College were successful in more ways than one.

The boys who become men that have played football under him will never forget him as a "Coach" who put the boy's interests ahead of selfish grandstand quarterbacks' wishes.

Stephen F. Austin is fortunate in having such an individual to lead young men on the gridiron as Coach Ralph Murff. Coach Murff played football under Homer Norton at Centenary, and received All-American recognition for his work at that institution. He was freshman coach there before moving to Texarkana Junior College as Assistant coach to Coach Willis. He went from there to Arkansas State Teachers as Assistant Coach and that club won the State Championship that year.

He is a believer in hard work and is well liked by all the boys. Coach Murff came to Stephen F. Austin in 1937 with Coach Willis.

PRE-SEASON GAMES

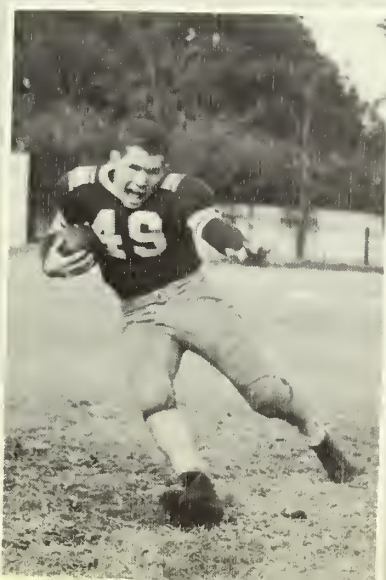

Coach Willis and his Lumberjacks displayed powerful running and dazzling passing attacks in defeating Lon Morris September 19. A man in motion penalty called on Yates after he had scored the tying touchdown resulted in the play being called back and a 6-0 victory for the Southwestern Louisiana Institute Bulldogs September 27.

The Jacks completely outclassed the Henderson State Teachers Reddies of Arkadelphia, Arkansas October 4, featuring the pass throwing of Bob McGraw and Cotton Bolton and the line play of John Ramseur, Carl Cook, Jesse Johnson and Roy Parnell.

John is as good a guard as there is in the country. This was his best season. He was chosen on the All-Conference team for the last two years. When "Ram" entered the school as a transfer from Kilgore in 1938, he had a pessimistic attitude, but if there is a more likable individual on the campus of SFA, that individual is more than great. John hails from Thorndale, Texas.

CO-CAPTAIN HARMON ROQUEMORE

The greatest honor ever bestowed on a football player from the Piney Woods campus was given to Rocky when he was invited to play in the Shrine Bowl at San Antonio Christmas day. He was one of the stars of the game. He entered SFA as a freshman and is known far and wide for his superb punting and passing. An injury in the early part of the season hindered the chances of the Jacks coming out on top in the Lone Star Conference race. His position was Quarterback, and his home is Nacogdoches. He has signed a contract to play with the New York Giants Pro-Team next fall.

AXEMEN DROP LOOP OPENER TO LIONS 27-7

Featuring a mighty running game headed by P. K. Rodgers and Clinton White, the East Texas Lions downed the Lumberjacks by the score of 27 to 7, October 12, at Commerce.

Bob McGraw continued to be a thorn in the neck to Bob Berry through his pass slinging. Bright spots in the line play of the game were Fite, James, and Gregory for East Texas; and Whitley, Wray, and Captain Carl Cook for Stephen F. Austin.

EAGLES HAND JACKS SECOND CONFERENCE LOSS

The North Texas Eagles rolled over the SFA Lumberjacks by a score of 27-0, October 18 at Denton before 8000 cheering spectators. Long passes and a very efficient pass interception game brought victory to the Sisco eleven.

The Jack running attack gained as much ground as that of the Eagles but Captain McGraw had trouble finding a man able to catch his accurate and bullet passes. The Eagles depended upon the passing arm of Stewart to shoot a pass into space and allow Williams, Ashton, and Hicks to catch them in stride and sprint to pay dirt. Asaff, Wray, Ramseur, Brittain, Roquemore and McGraw were the bright spots in the Austin lineup.

AUSTINMEN WIN THRILLER FROM SAN MARCOS, 13-7

Bouncing back into the win column after two discouraging defeats, the Jacks took the measure of Lon Chaney's Southwest Texas Teachers Bobcats by a 13-7 count before 3000 cheering fans October 26 on Birdwell Field.

The Axemen scored first on a line plunge in the first quarter. Then early in the second quarter the Bobcats scored on a line plunge by Brademan. Late in the third period the Jacks counted the final tally by way of a pass from Roquemore to Asaff.

The Axemen backfield standouts were Yates, Covin, Bailey, and Roquemore. The Jack line sensations were Captain Roy Parnell, Chief Battise, Nash, and Ramseur.

Big guns for the visitors were Lomax, Haese, Isham, V. Smith, and L. Barnard.

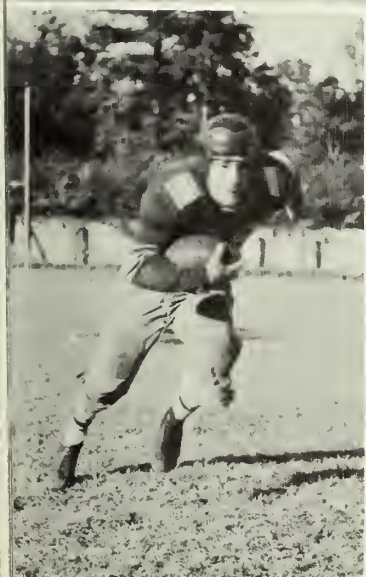

LUMBERJACKS LOSE TOUGH ONE TO BEARCATS

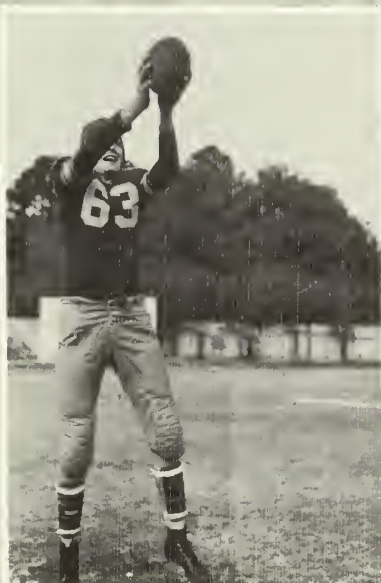

Coach Willis and his Lumberjacks played the socks off of the Sam Houston Bearcats November 21 in Pritchett Stadium at Huntsville, but they came out on the short end of the score 7-27. It was the seventeenth meeting of the old foes and the eleventh win for the Bearcats.

The Jacks wasted no time in scoring early in the first period. They took the opening kickoff and without losing the ball marched to a touchdown. On the next kickoff Ruthstrm went 70 yards for a tally. Late in the second period the Bearcats tallied again on a 40 yard pass from Hair to All-Conference end Hightower. Two more pass plays by Hightower and a neat run by Gifford accounted for the other Sam Houston scores. The Austinmen made 23 first downs to the Houstonmen 6, but lacked pay-dirt drive inside the 20 yard stripe.

Stars in the line for the visitors were Roy Parnell, Jesse Johnson, and Ramseur. Good play in the backfield was made by Bob McGraw, Roquemore, Larry Covin and Bailey.

LAST MINUTE PASS ROQUEMORE TO McGRAW, DEFEATS DEMONS 14-7

The Louisiana Normal Demons came to the Piney Woods November 2 with a string of 18 wins in a row, and it looked as if they would go back to Natchitoches undefeated until Bob McGraw slipped back of the Demon safety and Roquemore zipped a 50 yard pass to him for the winning score in the last minute of play, 14-7.

The Jacks scored first on a line plunge by Roquemore early in the first period.

It was a hard fight all the way for the home boys and the rivals from across the line were fighting to keep their high rating and perfect record.

Standouts in the game for the Axemen were Battise, Wray, Johnson, Bolton, "Curly" Roquemore, and Robert McGraw.

THE DEPARTING SENIORS

Some of these men have played as much as nine years of football. They started out on the Junior High School Gridiron and learned the feel of body contact; they learned how to use this contact with a little more ease in High School; they played their roughest and toughest ball in Junior College, and finally became finished products to go out in the sports world and teach kids what they have learned as a result of specialized and excellent coaching in Senior College.

DEPARTING MURFF MOULDED BACKS

JAVELINA POWER TOO MUCH FOR LUMBERJACKS

Coach Bud McCallum and his powerful backs proved too much for the visiting Jacks November 9 at Kingsville, and as a result the Texas A&I Javelinas defeated the Stephen F. Austin Lumberjacks 18-7.

The Jacks played the Hogs on even terms throughout the first half as neither team scored. Early in the third period the Porkers opened with a powerful running game featuring Mattingly, Hilliard, Hall, Maris, and Rucker, and scored 3 touchdowns before the Axemen could halt the Blitz. The Jacks scored on a pass McGraw to Johnson, in the fourth period.

Men who received recognition in the melee for the Jacks were Johnson, Cook, Battise, McGraw, Ramseur, Roquemore, and Jack Whitley.

INTRODUCING... THE COACH OF CHAMPIONS...

There is a possibility that no other coach in the United States has as good a coaching record in one particular sport as does the Lumberjack cage tutor, R. H. Shelton. Ever since Coach Shelton left the Dripping Springs High School to enter San Marcos, he has been a figure in the sports world of the Southwest. He earned 15 letters while at that institution and was captain of every team but the track team at least once.

"Bob" came to Stephen F. Austin in 1925 as Director of Athletics and since then has won seven cage championships and finished second the other two years in the Lone Star Conference Basketball races.

The more you see of him and become acquainted with him the more you will admire the man for his principles of fair play and sportsmanship.

He teaches a type of basketball that is not complicated for those who are masters of accurate shooting and know what the word hustle anticipates. On the courts he stresses teamwork and plays the boys that work best together.

Coach Shelton says that the club he had this year was the best one he has ever had the pleasure of coaching. That point is argumentative, but those who enjoy clean, hard, good, and smooth basketball will always come to see Bob Shelton's Stephen F. Austin cage teams perform on the hardwoods.

LUMBERJACKS TAKE IN KANSAS CITY ENTER INTERCOLLEGIATE CAGE FOR FIRST TIME

Coach Shelton and 12 men, Cook, Lucas, Cupit, Jacobs, Emmons, Stagner, V. Samford, M. Samford, L. Franks, B. Franks, and Battise embarked for Kansas City March 8. They went by way of Texarkana and the Ozark Mountains.

While in Kansas City they were rated as one of the favorites, being placed in the first bracket. The Jacks won the admiration of the fans in their first-round win over Simpson, a team with an undefeated season. They lost out to a defensive club, the Maryville Missouri teachers, and that night were guests of Matty Malneck's Band.

LUMBERJACKS TAKE ONE . . . BEARKATS TAKE ONE . . .

Displaying a smashing, accurate attack and stellar guarding, the Sheltonmen hacked away at their arch rivals, the Bearkats of Huntsville, for a topheavy 59-31 victory in Aikman Gym Saturday night, January 11. Ray Lucas, Jack Cook, Van Samford, and Bennis Franks turned in excellent exhibitions at their respective positions.

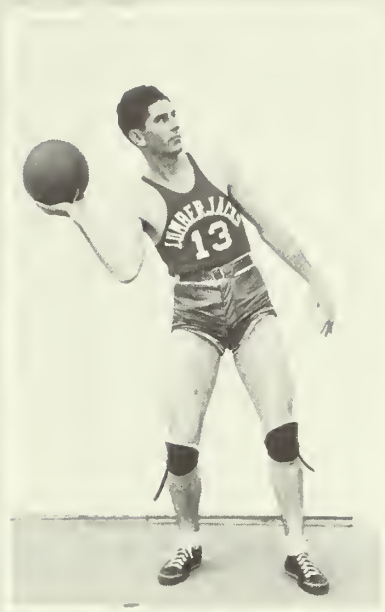

A long tall fellow by the name of Donald Walker, plus a physically weak Lumberjack squad, resulted in the Sam Houston Bearkats humbling the Nacogdoches five 61-45 on the Huntsville hardwoods. The tradition that no LSC team can finish the conference schedule undefeated enjoyed its tenth birthday and the jinx on the 'Jack basketball team in the Sam Houston Gym celebrated its sixth birthday. Two records were broken. Van Samford set a record of 138 by adding 11 points to the 129 set by Matteson. Chief Battise sank a free throw to set a team record for conference play at 399 points.

AXEMEN SWEEP SAN MARCOS SERIES

With big Van Samford pounding the meshes for 21 points, the Lumberjacks came through for their fifth straight conference win by smashing the San Marcos Bobcats 47-29 Saturday night, February 8, in Aikman Gym.

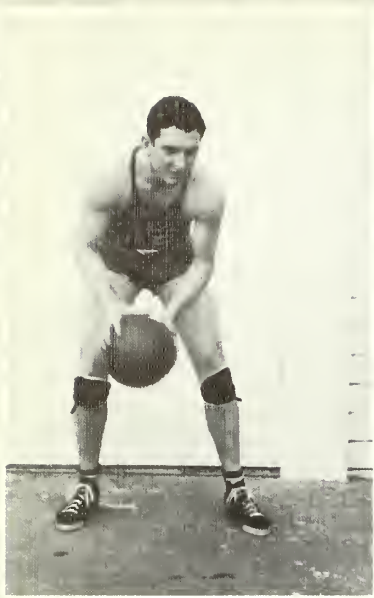

Blasting out their sixth conference victory, the Stephen F. Austin Lumberjacks romped over the Southwest Texas Bobcats 51-42 Thursday night, February 13, at San Marcos. Towering Van Samford led the scoring with 24 points, which brought his conference scoring mark to 104 in six games. Lawrence Franks with 9, Jack Emmons with 8, and Jack Cook with 6, helped pace the victory for the Austin men. Bennis Franks, Lucas and Stagner, a trio of superb Axemen Guards, stood out on defense.

LUMBERJACKS SILENCE CHAMPION EAST TEXAS LIONS...

The Axemen cleared one of their toughest hurdles in the Lone Star Conference race Saturday night, January 18, by chopping down the Lions of East Texas, the defending champs in a torrid 53-49 battle staged at Commerce. Jack Cook was the big noise for the 'Jacks with 17 points. The Woodsmen were without the services of their hustling guard, Ray Lucas, as he was left home to cure an aggravating cold. G. T. Stagner filled the spot nicely.

Led by the high-scoring Van Samford who registered 19 points and Jack Cook with 13 markers, the Lumberjacks steam-rolled over the helpless Lions, Wednesday night February 5, by a 43-29 score in Aikman Gym.

The game was sort of a revenge affair as the Lions whipped the Lumbermen last year on the Austin court for the first time in five years.

The Freshmen did not play any games but they found plenty of work in scrimmaging the varsity. Five of the Fish will bear watching next fall as they had indications of becoming Star Axemen Basketeers

Intramural

Added to the regular program of intramural activities was touch football. A league of 6 teams was organized and the pennant went to the speedy Austinites. The speed of McGraw, Yates, Myers, and Covin was too much for the other teams to cope with.

The best intramural basketball league ever to be introduced in SFA was in operation this year. All the clubs were strong, with the Sawyers and Austinites and Loggers having the strongest fives.

At the end of basketball, came the "Fite Night," staged by the "T" Club. It was the best of the pugilistic performances ever to be put on in Nacogdoches.

To erid the intramural program, there was the Softball League. Dominant play in this league was between the Austinites and the Sawyers.

The growth of the organizations and of the Stephen F. Austin College has in many ways been through the untiring and ceaseless efforts of Miss Ruth Mays.

The Student Body of S. F. A. wishes to express its gratitude and appreciation for one who has accomplished much for the benefit of those she loves; and to say a word of "thanks" to Miss Mays for many years of faithful, friendly, and loving service.

1940-41 witnessed another record-breaking year for the Speech and Drama Department—95 members in the Dramatic Club and 160 in the Speech classes—and a series of superb shows under the clever direction of Burney E. Howard. The Senior play of last year, "Our Town," proved to be a sensation. Cyril McGilvray, Elnora Westmoreland, Douglas Blackmon went sweeping to stardom by their superb performances. It went down in history as S. F. A.'s finest play.

'Our Town' Points To Big Attendance

We opened our season with the hit of the year "House Party"—cast of 36—starring Douglas Blackmon and Dallas Baker. These two boys were glorious in their team work. Blackmon rose to spectacular heights in his final scenes. We shall never forget—the soft music—the shadow of the gun—and Blackmon and Baker in their last scene—that's good theatre.

Our second play, "Night of January 16th," a sensation, starring Lesta Shackelford, Elva Mangham, Evelyn Dyer, J. W. Mitchell, unique, clever and well cast, played in the District Courthouse for 4 nights—had the whole town "arguing" about "who done it." Ingenious directing—dramatic lighting with only 3 spots.

"Our Town," by Thornton Wilder, is a beautiful cast of 52 actors, including Dallas Baker, Douglas Blackmon, and Lesta Shackelford. The play will be staged on Tuesday, May 21, at the Ahlman Gymnasium.

Afraid of the Dark

Assemblies in Thursday's Productive

A GORMAN MEMORIAL
AFRAID OF THE DARK—Presented by the Dramatic Club in Ahlman Gymnasium, Thursday morning at 10 o'clock. Play written by George F. Callahan. Directed by B. E. Howard. The cast includes: Bill Peron, W. D. Blackmon, Bob McIlvray, Beverly Rhyme, Willard Kilpatrick, and others. The month of December is traditionally characterized by reflections on events of the waning year. But if it is permissible instead to peer into the future, there are good grounds for predicting that Thursday's assembly program will rank among the best presented during the current school year. "Afraid of the Dark" was a well-

come change in the type of entertainment. This offering of B. E. Howard's Club showed the turn to reality taken by three men condemned to die. Juan Castaneda, a young Mexican, was innocent of the crime for which he was sentenced to execution for the murder of a man who stole his wife, convinces him of which to be afraid. Brought to the last moment, the captain follows Juan in death. Cynical Willie Gubek, the only real criminal in the group, calls in hysterical fear upon the god whom he has despised when his former companions have walked the last mile.

The cast of five handled the difficult emotional parts with ease. Especially realistic was W. D. Blackmon's portrayal of Juan. He gave a fair south-of-the-border with a gripping quality to the emotional lines. Bill Peron's cracking thug hints of relief and Bob McIlvray's portion to the audience.

Kurl "Bookie" Shirey

Only a Freshman, but at the head and directing the College's "Woodchopper" orchestra is Kurl Shirey, better known around the campus as "Bookie."

A hard worker and an accomplished musician, "Bookie" is fast molding one of the best orchestras to be found in East Texas. In his one year of work he has proven himself an asset to the field of music at Stephen F. Austin.

Meeting the pretty, fast-stepping twirlers of the S.F.A. band from left to right: Miss Helen Crawford, Miss Margie Kimmey, Miss Olene Simmons.

Leading the colorful seventy-five piece Purple and White Band is Miss Arnodean Selden, a National Champion hailing from Henderson High School. A sophomore, Miss Selden has strutted at the head of the Piney Woods band two years, and is recognized as one of the most outstanding Drum Majorettes of the Southwest.

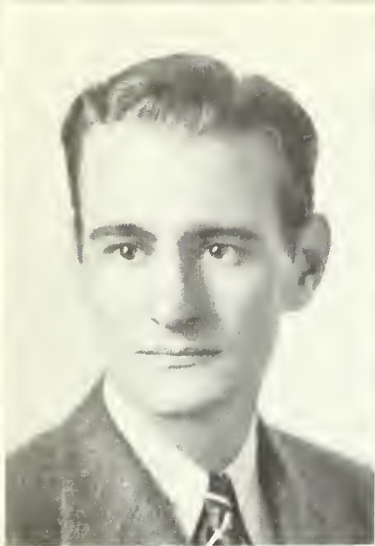

A combination of beauty, grace, personality, and poise, "Deanna" is appreciated not only by the band, but by the entire student body.

Watching out for the seventy-five "tooters" and never too busy to help with the pep, to organize on a minute's notice, or to respond when called upon is the swell little fellow, and director of the band, "Major" Cox.

COLLEGE POLITICS

Politics invaded the college earlier this year with lots of cards, pretty faces (?) and signs galore.

Campaign promises included everything from free beer with pretzels to bigger and better everything. In the end the girls got heart bracelets and everybody popcorn.

The win horses at the end of the home stretch were V. Samford, D. Blackmon, T. Sharpe, J. Bolton, and W. Jones.

The Austinite Poll, started in 1933, was first directed by Preston Hendrick, whose ceaseless effort and continued work helped it to become a member of American Poll of Public Opinion.

Each year the Poll sponsors a "favorite election" and the students fill in a "write-in" blank for the favorites. For the first time this year, the poll was also held in the summer, with Sontag being absent and delayed until fall to win his third term as "Dumbest Boy."

Quality must be seen to be appreciated! Pictures never tell the whole story and that's why we always invite people to visit our store and see for themselves the fine quality merchandise we carry. It is just like a huge catalogue, with the extra advantage of not having to judge quality from a picture of an article—you can see it, handle it and decide on its usefulness before you buy it.
